## I. INTRODUCTION

Thank you for using Stewart Title Guaranty Company ("STG") for your title insurance needs. The information contained in this manual is provided for the use and guidance of our agents, approved attorneys and customers. In utilizing the information provided herein, please make note of the following:

- The prices quoted in this manual are for the total title insurance fees, including work charges, and do not include charges for other services provided by attorneys, lenders, surveyors, abstractors or other vendors of real estate services.
- When the amount of the policy to be issued exceeds the maximum liability amounts permitted by the agent's contractual agreement, the agent must contact the local office of STG for authorization. This form may be obtained on our website and submitted to our office for approval. When remitting the policy, please ensure that the approved Overlimit Form is attached to the policy.
- For the purpose of this manual, the term "Mortgage" includes deeds to secure debt and refers to any instrument that secures a loan with real estate.
- For your convenience, we have computed prices for coverage in \$1,000 increments. Any policy involving a fractional dollar of insurance should be rounded up to the nearest \$1,000 for pricing calculations.

If at any time you have questions or need further assistance, please do not hesitate to contact us.

## II. COMMITMENT TO INSURE

A commitment to insure is a report showing the status of the title and the exceptions, if any, which will apply in the policy to be issued. It is a binding obligation of STG to issue a policy in accordance with the terms and conditions of the commitment when the requirements of STG have been met.

## III. CLOSING PROTECTION LETTERS

The price for closing protection coverage is \$40.00 for each closing protection letter issued in a transaction.

## IV. OWNER'S TITLE INSURANCE ORIGINAL ISSUE

An owner's policy insuring a fee simple estate cannot be issued for less than (a) the amount of the current sales price of the land and any existing improvements or (b) if no sale is being made, the amount equal to the value of the land and any existing improvements at the time of the issuance of the policy. An owner's policy insuring a fee estate cannot be issued for less than the full value of the premises. The amount shall not be less than the sale price.

The charge for the original owner's title insurance is as follows:

Liability Amount	Per Thousand
\$0 to \$100,000 .....	\$3.50
Over \$100,000 to \$500,000, add .....	\$3.00
Over \$500,000 to \$1,000,000, add .....	\$2.45
Over \$1,000,000, add .....	\$2.30
Minimum charge .....	\$150.00

V. **AMERICAN LAND TITLE ASSOCIATION ENHANCED OWNER'S POLICIES**

Owner's policies offering the consumer enhanced coverage are available for an additional charge. The price for these policies is **120%** of the published price for an owner's policy shown above. This policy shall only be issued for one to four family residential dwellings and condominiums where the land is currently owner occupied and the construction of the principal improvements has been completed.

VI. **LOAN POLICIES**

A Loan Policy, Short Form Loan Policy, or Leasehold Loan Policy (referred to collectively as Loan Policies) insuring a first mortgage cannot be issued for an amount less than the full principal debt. However, upon request, the policy may be issued for an amount up to 120% of the principal debt for fixed price mortgages and up to 150% of the principal debt for adjustable price mortgages to cover items such as interest or foreclosure costs.

When the mortgage described in the policy has been paid or satisfied, the coverage under that loan policy terminates, except when the satisfaction is through foreclosure or other lawful means of acquiring title in satisfaction of the mortgage debt.

Reasonable additions to cover interest and anticipated charges may be insured as agreed upon by STG.

A new mortgage given to renew or refinance a mortgage debt is a new transaction, creating a new liability. If a loan policy is to be issued in connection with such a transaction, the charge should be calculated as if it were an original issue loan policy at the applicable original price.

The charge for loan policies is as follows:

<b>Liability Amount</b>	<b>Per Thousand</b>
\$0 to \$100,000.....	\$2.45
Over \$100,000 to \$500,000, add.....	\$2.00
Over \$500,000, add.....	\$1.70
Minimum charge.....	\$100.00

VII. **SIMULTANEOUS ISSUE CHARGES**

A. **Owner's And Loan Policies**

When an owner's and loan policy are issued simultaneously in connection with a single transaction and covering identical land, the charge for the loan policy will be at the base rate; the charge for the owner's policy will be for the face amount of the owner's policy at the base rate, less the charge made for the loan policy, plus a \$100 charge for issuance of the extra policy. All policies must bear the same effective date and the owner's policy must show the mortgage or lease as an exception. The owner's policy should be issued for the purchase price of the property at the basic schedule of charges.

B. **Two Owner's Policies**

When two owner's policies (each covering the entire fee in identical land) are issued in the same transaction to different insureds, the applicable owner's charge will apply to the policy in the larger amount and the charge on the other policy will be computed at 30% of the owner's charge, with a minimum charge of \$150 per policy.

**C. First And Second Loan Policies**

When first and second loan policies covering the same property are issued simultaneously, with the same mortgagor and mortgagee, the price is determined by adding together the amounts of the two mortgages, and then using the combined total to calculate the charge from the schedule above and adding to that calculated charge the amount of \$100 for the issuance of the additional policy.

**NOTE:** If the loan amount is greater than the sales price (which can happen in FHA/VA loans, and where the MIP and/or closing costs are included in the loan amount), both the owner's and loan policies should be written for the higher amount.

**VIII. SECOND MORTGAGE POLICIES**

The charge for second mortgage policies is as follows:

Liability Amount	Per Thousand
\$0 to \$100,000 .....	\$3.00
Over \$100,000 to \$10,000,000, add .....	\$2.00
Minimum charge .....	\$100.00

**IX. CONSTRUCTION LOAN POLICIES**

**WE NO LONGER ALLOW THE COMMITMENT TO COVER THE PROJECT DURING THE CONSTRUCTION STAGE.** A policy **must** be issued on all construction loans.

To assist our agents in obtaining the permanent loan policy, we allow the construction loan policy to be issued for a reduced price.

The charge for construction loan policies is \$1.25 per \$1,000 of coverage, with a minimum charge of \$125.

If a subsequent permanent loan policy is issued on the same property insuring the same lender, a full credit will be allowed for the entire charge of the construction loan amount. If a different lender holds the permanent loan, then no credit shall be given. If the permanent loan policy is to be used for construction also, the pricing for loan policy stated above shall be charged.

If the construction loan policy is issued simultaneously with an owner's policy, the regular owner's pricing is charged on the owner's policy and the simultaneous fee of \$100 is charged for the construction loan policy.

If the permanent loan policy is to be used for construction also, the regular loan policy charges shall apply.

**X. LEASEHOLD POLICIES**

A leasehold owner's policy shall be issued for the value of the leasehold estate, which shall be either the aggregate of the rentals payable under the lease or the full value of the premises, whichever is less. The ALTA 13 Endorsement is used to convert a standard owner's policy to a leasehold owner's policy. The charge for a Leasehold Owner's Policy shall be 100% of the basic charge for Owner's Policy Original issue (see page 3).

A leasehold loan policy insuring a first mortgage cannot be issued for an amount less than the full principal debt. The ALTA 13.1 Endorsement is used to convert a standard loan policy to a leasehold loan policy. The charge for a Leasehold Loan Policy shall be 100% of the basic charge for First Loan Policy Original issue (see page 4).

**XI. EXTENSION OR MODIFICATION OF AN EXISTING LOAN**

The charge for a new policy or endorsement to an existing policy issued in conjunction with an extension or modification agreement that does not increase the unpaid principal balance, shall be calculated on the basis of the unpaid principal balance as follows: 50% of the base charge for policies modified within 5 years of the policy date; and 60% of the base charge for policies modified within 6-10 years of the policy date.

**XII. ENDORSEMENTS**

Endorsements providing additional coverage may be issued. Pricing for these endorsements will be determined by STG. Please contact our local office for this information. If endorsements are issued, you must remit the charges based on the split detailed in your contract.

**XIII. CHARGES TO THE CONSUMER**

In accordance with instructions from the Georgia Insurance Commissioner, these charges have been filed with the Department of Insurance and are those that must be charged to the consumer.

**XIV. AGENCY REPORTING OF POLICIES AND RELATED CHARGES**

In accordance with instructions from the Georgia Insurance Commissioner, issuing agents must remit their contractual percentage split based upon the total title charge paid by the consumer. Penalties may be imposed by the Georgia Department of Insurance for inaccurate reporting of customer charges for title insurance.

# Commercial Policies

"Commercial policies" for the purposes of insurance rates only includes bulk purchase or refinance of multiple residential dwellings, multi-family structures intended for the use of 5+ families, undeveloped lots, or real estate intended principally for business, commercial, industrial, religious, educational or agricultural purposes even if some portion of the real estate is used for residential purposes. "Residential policies" for the purposes of insurance rates only mean title insurance policies that insure the title to real property having a single house, individual condominium unit, mobile home permanently affixed to real estate, or other dwelling unit intended primarily for the occupancy of from one to four (1-4) families or a single residential lot upon which the purchaser intends to build a one to four family dwelling.

These are published prices that you are required to charge and on which your remittances must be made in accordance with O.C.G.A. § 33-6-5(B)(i).

## I. OWNER'S AND LOAN POLICIES

Pricing for owner's and loan policies for commercial property is calculated as follows:

Liability Amount	Per Thousand
\$0 to \$2,000,000, .....	\$1.50
Over \$2,000,000 to \$5,000,000, add .....	\$1.10
Over \$5,000,000 to \$10,000,000, add .....	\$1.00
Over \$10,000,000 to \$20,000,000, add .....	\$0.75
Over \$20,000,000 to \$30,000,000, add .....	\$0.60
Minimum Charge.....	\$500.00

Above \$30,000,000 please contact our local office for pricing.

## II. OWNER'S POLICY REISSUE CREDITS

In certain instances, reissue credits may apply to commercial transactions if the real property to be insured is identical or a part of property insured under a prior policy issued less than 10 years prior to the date the current transaction closes. The prior policy must be provided to STG for review and approval prior to applying any reissue credit.

## III. LOAN POLICY REFINANCE CREDITS

In certain instances, refinance credits may apply to commercial transactions if the real property to be insured is identical or a part of property insured under a prior policy issued less than 10 years prior to the date the current transaction closes. The prior policy must be provided to STG for review and approval prior to applying any refinance credit.

## IV. SIMULTANEOUS ISSUE OF OWNER'S AND LOAN POLICIES

When an owner's policy is issued simultaneously with one or more policies in connection with a single transaction and covering identical land, the charge for the loan policy will be at the base rate; the charge for the owner's policy will be for the face amount of the owner's policy at the base rate, less the charge made for the loan policy, plus a \$100 charge for issuance of the extra policy. All policies must bear the same effective date and the owner's policy must show the mortgage or lease as an exception. The owner's policy should be issued for the purchase price of the property at the basic schedule of charges.

**V. EXTENSION OR MODIFICATION OF AN EXISTING LOAN**

The charge for a new policy or endorsement to an existing policy issued in conjunction with an extension or modification agreement, that does not increase the unpaid principal balance, shall be calculated on the basis of the unpaid principal balance as follows: 50% of the base rate for policies modified within 5 years of the policy date; and 60% of the base rate for policies modified within 6-10 years of the policy date.

**VI. ENDORSEMENTS**

Certain endorsements to make minor changes in the policy (i.e. clarify or add definition to existing coverage) will be issued at no additional charge.

Endorsements to furnish special coverage (zoning, usury, etc.) may be issued on commercial and residential transactions. Pricing for such coverage will be determined by STG commensurate with the risk to be assumed by the issuance of such endorsement. Please contact STG for prices on special endorsements.

Whenever the same form of endorsement with similar coverage is issued on both the owner's and lender's policy in a single transaction, the policy issuing agent or approved attorney may make a single charge for such endorsements. Example: In a single transaction, the lender requests a Comprehensive (ALTA 9) Endorsement and the owner requests a Comprehensive (ALTA 9.2) Endorsement. The price may be \$100 cumulative for both endorsements.

The policy issuing agent or approved attorney should consult underwriting guidelines and requirements on Virtual Underwriter ([www.vuwriter.com](http://www.vuwriter.com)) or by calling the local STG office.

**VII. CHARGES TO THE CONSUMER**

In accordance with instructions from the Georgia Insurance Commissioner, these charges have been filed with the Department of Insurance and are those that must be charged to the consumer.

**VIII. AGENCY REPORTING OF POLICIES AND RELATED CHARGES**

In accordance with instructions from the Georgia Insurance Commissioner, issuing agents must remit their contractual split based upon the total title charges paid by the consumer. Penalties may be imposed by the Georgia Department of Insurance for inaccurate reporting of title charges. Additionally, STG must pay premium tax on the portion retained by the agent, as well as the premium we actually receive (see O.C.G.A. 33-8-4 and O.C.G.A. 33-8-8-2).

Policies and remittances are to be sent to STG on a monthly basis. On each policy, please indicate the premium price charged to the consumer.
